## Who's missing from the AIA's Conference on Architecture A'22?

The AIA said it “is taking steps to advance **racial justice and equity** in our organization, in our profession, and in our communities.” It affirms its “commitment to lead efforts that ensure the profession of architecture is as diverse as the nation we serve.”

“We ask our community to join us and hold us accountable in the coming months and years to ensure that our deeds match our words.”
